

# British Motorcars of New England

British Motorcars of New England (BMCNE) is an active club with events every month. Our members are passionate about their cars and can help you get the most from your British car. If you are thinking about buying one, or if you are working to get yours back on the road, the club offers a wealth of information and hands-on experience. Our members have the knowledge that can help you improve your car's performance, reliability and appearance. We offer friendly and informative gatherings in a relaxed environment.

Many events that planned for this year including:

Friday Night Cruises - Multiple locations

Tech Sessions & Garage Tours

British Motorcars in Bristol

Events are added regularly, all dates subject to change. Please check [www.bmcne.org](http://www.bmcne.org) and the BMCNE email newsletter for the latest information.
